

COVID-19 Emergency Support Framework

Engagement and support call Summary Record

London and South Coast Clinics Limited

Location / Core Service address	Date
Bijoux Medi-Spa 149 Ebury Street , London SW1W 9QN	07/07/2020

Dear London and South Coast Clinics Limited

The Care Quality Commission is not routinely inspecting services during the COVID-19 pandemic. We are maintaining contact with providers through existing monitoring arrangements and engagement and support calls covering four assessment areas:

- Safe Care and Treatment
- Staffing arrangements
- Protection from Abuse
- Assurance Processes, Monitoring and Risk Management

This Summary Record outlines what we found during the engagement and support call shown above, using standard sentences and an overall summary.

We have assessed that you are managing the impact of the COVID-19 pandemic at the above service. The overall summary includes information about the internal and external stresses you are currently experiencing, how they are being managed, and sources of support that are available.

Emergency Support Framework calls and other monitoring activity are not inspections. Summary Records are not inspection reports. Summary Records are not published on our website.

Assessment Area 1

Safe care and treatment

1.1 Are infection risks to people using the service being thoroughly assessed and managed?

Yes Infection risks to people using the service are being thoroughly assessed and managed.

1.2 Does the service have the resources to obtain, and reliable access to, all the supplies, personal protective equipment and C-19 testing it needs, for both staff and people who use the service?

Yes The service has reliable access to the right personal protective equipment and C-19 testing for both staff and people who use the service.

1.3 Does the location's environment and layout support preventing and containing transmission of infection?

Yes The location's environment supports the preventing and containing the transmission of infection.

1.4 Are working arrangements and procedures clear and accessible to staff, people who use the service, their supporters, and visitors to the service?

Yes Working arrangements and procedures are clear and accessible to staff, people who use the service, their supporters, and visitors to the service.

1.5 Are medicines being managed safely and effectively?

Yes Medicines are being managed safely and effectively.

1.6 Are risks to the health of people using the service being properly assessed, monitored and managed?

Yes Risks to the health of people using the service are being properly assessed, monitored and managed.

Assessment Area 2

Staffing arrangements

2.1 Are there sufficient numbers of suitable staff to provide safe care and treatment in a dignified and respectful way?

Yes There were enough suitable staff to provide people with safe care in a respectful and dignified way.

2.2 Are there realistic and workable plans for managing staffing levels if the pandemic or other causes lead to shortfalls and emergencies?

Yes There were realistic and workable plans for managing any staffing shortfalls and emergencies.

Assessment Area 3

Protection from abuse

3.1 Are people using the service being protected from abuse, neglect, discrimination and loss of their human rights?

Yes People were being protected from abuse, neglect, discrimination, and loss of their human rights.

3.2 Are the service's safeguarding and other policies and practice, together with local systems, properly managing any concerns about abuse and protecting people's human rights?

Yes Safeguarding and other policies and practice, together with local systems, are properly managing any concerns about abuse and protecting people's human rights.

Assessment Area 4

Assurance processes, monitoring and risk management

4.1 Is the provider monitoring and protecting the health, safety and wellbeing of staff?

Yes The provider is monitoring and protecting the health, safety and wellbeing of staff.

4.2 Does the provider have effective systems and methods for monitoring the overall quality of the service and for responding to business risks and issues as they arise?

Yes The provider's systems and methods for monitoring the overall quality of the service and for responding to business risks and issues as they arise are effective.

4.3 Is the provider supporting staff and people who use the service to raise any concerns and give feedback?

Yes Staff are supported to raise concerns and give feedback about the service.

4.4 Is care and treatment provided to people being properly recorded?

Yes Care and treatment provided to people is being properly recorded.

4.5 Is the provider able to work effectively with system partners when care and treatment is being commissioned, shared or transferred?

Yes The provider is able to work effectively with system partners when care and treatment is being commissioned, shared or transferred.

Overall summary

Having reviewed the available information about this service and provider, including information received and held by CQC and discussions held with the provider during the ESF call, we assess that you are managing the impact of the COVID-19 pandemic.

- Infection control practice -the provider had developed a set of detailed guidelines and a protocol for the management of COVID-19. This included updated management plans and risk assessments for infection prevention and control and the provision of additional personal protective equipment for their needs.
- Care and treatment -the service had in place measures to continue to monitor care, treatment and patient outcomes.
- Staff cover -staffing levels were satisfactory to support the safe delivery of services. One member of staff was dedicated to reception management and cleaning tasks and supporting clients with safety procedures.
- Assurance processes, monitoring and risk management - the provider had taken steps to protect health, safety and risk management. Staff felt protected, systems were in place to monitor and manage quality and safety. The provider worked effectively with partners to provide the service.
